Miembros de Delhiite Connection / Delhiite Connection members

## Rohit Gupta

Rohit Gupta (New Delhi, 1992) is a designer, engineer, and researcher exploring design as a dialogue with contemporary and future challenges. He holds degrees from IED Madrid, IIT Bombay, and Delhi Technological University. His work has been shown at Museo Reina Sofía, Auditorio de Galicia, Fabrica (Treviso), and Casa Árabe (Madrid). He runs his own studio, collaborating with artists and designers to bring creative ideas to life.

## Alvarado

Alvarado (Ávila, 1950) is a visual and electronic artist. He studied Philosophy and Fine Arts at the Complutense University of Madrid. He has received courses and grants from Medialab Madrid and MediaLab Prado. His work is held in the collections of Museo de Bellas Artes de San Fernando Madrid; the CAC Málaga; and Museo La Neomudéjar, Madrid. He has participated in festivals 404, FILE, MAEM, FIME, Camargo Cibernético, Confluencias, Ciberarts, and Image.

## Yago Torroja

Yago Torroja is a tenured professor at the Escuela Técnica Superior de Ingenieros Industriales de la Universidad Politécnica de Madrid. He combines his work as a teacher and researcher in the field of electronics with art, new technologies, and music, both individually and in collaboration with other national and international artists. He has been closely involved with Medialab-Prado, regularly participating in workshops and events related to electronics and programming.
